Conciliatory Note of Russians Paves Way to Peace in East

HOME TOWN STUFF

City Commissioner B. Daniel and City Secretary S. H. Hall returned yesterday from a fishing trip to Corpus Christi, Port Aransas and other points on the Gulf coast. They sent back unmistakable evidence of their skill as fishermen, a whole barrel of evidence in fact. The Nabers Street boarding house was provided with a liberal helping of the evidence and yesterday's dinner was unusually good at the well known hostelry.

H. T. knows good fish when he eats it, and if ever he ate better fish than the supply brought back by Messrs. Daniel and Hall he doesn't recall it at the present time. Reports have come back from time to time about fish in Colorado, but the only evidence ever submitted are statements, backed by kodak pictures of doubtful origin and genuineness. Mr. Daniel says in his Gulf fishing he uses larger fish for bait than the Sage of Kincheol's ally ever caught in Colorado. That's what he says, and H. T. is inclined to accept the statement. What else could be expected after partaking of a fine fish dinner as the result of Mr. Daniel's fine catch in the Gulf? Again this column must award the championship to Mr. Daniel. Like Joshua and his fellow-spy, after their celebrated visit to the land of Canaan, Mr. Daniel has brought home the grapes, so to speak. Grapes speak louder than oratory. About all that H. T. got out of Mr. McCulloch's fishing trip to Colorado was a few promises and a chance to see where the mosquitoes bit Mr. McCulloch.

Mr. Daniel sent back a post card from Corpus Christi, soon after his arrival there, saying that the scenery was fine, but still he hoped to get in a little time fishing.

Captain W. A. Ish is anxious to get in touch with some expert in weedology. He has a weed in his yard that has grown to a height of something like seven feet and he has been unable to classify it. The weed slightly resembles a sunflower plant, but its trunk and limbs are smooth while those members on the sunflower plant are rough. Mr. Ish has called in his neighbors, including Jeff Summerour and C. S. McCulloch, sages respectively, of North Main Street and Kincheol's alley, and none has been able so far to tell him what variety of weed the plant is. He has about despaired of finding out, since the ones mentioned have been unable to give him any information. Probably it is a mucus weed.

When a man can play golf as well as Mr. Bobby Jones of Atlanta, one is moved to wonder why he wants to fool around practicing law.

The other day a business man inquired about the wonderful lake and park out west of town we heard so much about a few years ago, when the City sank some wells, threw up an earthen dam and set out a lot of trees. It is like so many other things we start into without doing any definite planning and without knowing whether the scheme, as projected, will succeed. We have expended enough money on parks here, there and yonder in and around Vernon to have something really outstanding. Outside of Allingham Park and an athletics field that is none too well located, we have little to show for our money.

FALL SESSION OF MEXICO CONGRESS OPENS SUNDAY

Mexico City, Aug. 31.—(P)—Governors of most of the Mexican states, military leaders, the diplomatic corps and the cabinet will be present in the Chamber of Deputies at 11 a. m., Sunday to attend the opening of the regular fall session of Congress and hear the reading of the annual presidential message.

WAR DANGER IS BELIEVED OVER BY TWO POWERS

Accession to Request of China for Settling Differences by Mediation Is Regarded in Moscow as Paving Way for Readjustment of Controversy

Moscow, Aug. 31.—(P)—All immediate danger of war between Soviet Russia and Nationalist China in consequence of seizure of the Chinese Eastern railway, which has gravely menaced peace in the Orient since early in July, appeared removed today with acceptance by Russia of Chinese proposals for settlement of all matters in controversy. A feeling of optimism here replaced the undisguised anxiety and apprehension which the government and the people of Russia have manifested for the past two months. There was rejoicing that the principles of conciliation and diplomatic approaches embodied in the Kellogg renunciation of war pact, to which both Russia and China are signatories, had seemingly triumphed over the methods of armed force. Although the important newspaper Izvestia calls attention to the fact the conflict is not yet definitely resolved, that the former status of the Chinese Eastern has not yet been restored and that Russian citizens remain in concentration camps and prisons, it is generally believed in Moscow the way has been paved by Russia's peaceful attitude for restoration of the status quo.

In some quarters there is a disposition to accept Nanking's latest proposals with a certain amount of reserve. This tendency is attributed to the alleged failure of the Mukden government to abide by its previous promises to settle the conflict. But, broadly, there is a hopeful attitude on the part of authorities here that last night's Russian note may be a forerunner to the resumption of normal political and trade relations between the two powers and resumption of freight and passenger traffic over the Chinese Eastern.

SEEK FANATIC IN TWO DEATHS

UNWELCOME ATTENTIONS
OF MAN HAD CAUSED
GIRL TO BE UNEASY

Kansas City, Aug. 31.—(P)—Police today centered their efforts on the apprehension of a religious fanatic in the belief that his arrest would solve the double slaying of Miss Ruth Laughlin, 24, and her escort, Paul L. Odell, 19, whose bodies were found yesterday on cliff drive. The fanatic, known only as Fred, became acquainted with Miss Laughlin at a tent meeting several days ago and proposed immediate marriage, threatening her if she refused. Recurrent proposals made the girl uneasy, and she told members of her family of the unwelcome attention. Odell's motor car was found last night at a street intersection two miles from the scene of the murders.

PLANES RACING ACROSS COUNTRY TO CLEVELAND

Metropolitan Airport, Los Angeles, Aug. 31.—(P)—Seeking the victor's share of the \$10,000 prize money offered winners of a non-stop flight to Cleveland in connection with the National air races there, Major John Wood and Captain Roscoe Turner were speeding their Lockheed Vega monoplane eastward today. Captain Turner took off at 1 a. m., followed at 1:45 a. m., by Major Wood. They hope to better the mark of 13 hours, 51 minutes, 10 to 10 seconds set by Lee Schoenhair, who completed the flight from here last Monday.

Except for a slight cloudy condition over Arizona, weather conditions over the entire route were reported to be excellent.

TRIBUTE PAID TO EDISON AT NATIONAL AIR RACES

Cleveland, Ohio, Aug. 31.—(P)—Tribute to Thomas A. Edison bearing expressions of gratitude for the aid his incandescent lamp has rendered a still larger scientific achievement, the airplane, marked today's program at the national air races.

GRAF ZEPPELIN STARTS BACK TO GERMANY TONIGHT

Lakehurst, N. J., Aug. 31.—(P)—Preparations went forward today to send the globe-circling dirigible, Graf Zeppelin, into the air at midnight, bound for her home port, Friedrichshafen, Germany, and the end of her historic cruise.

Seventeen passengers, 3,300 pounds of freight and a quantity of mail will be aboard the great airship on her fifth crossing of the Atlantic. When she reaches her station she will have traveled approximately 27,000 miles since she left on her first crossing to Lakehurst a month ago. Dr. Hugo Eckener, commander of the Zeppelin, who was feted as a hero in New York yesterday, will see his beloved ship point her nose for home without him. He has arranged to remain in this country for two weeks attending to business in New York and visiting Cleveland and Akron, Ohio. Captain Ernst Lehmann will have charge of the airship on the flight.

Repairs to a rudder, crumpled when the airship struck the ground while leaving Los Angeles, have been completed. Into the cells have been pumped 850,000 cubic feet of ethane fuel gas and 450,000 cubic feet of hydrogen. Although Lady Grace Drummond Hay left the ship here, the Graf has a woman on the passenger list for the trip home. She is Mrs. Charles B. Parker, of Cleveland, widow of Dr. C. B. Parker surgeon and member of the faculty of Western Reserve University.

ZEPPELIN MUST BE MOVED FROM HANGAR IF ATTACHED

Washington, Aug. 31.—(P)—The Navy Department instructed the commandant at Lakehurst today that if the New Jersey authorities serve a writ of attachment on the Graf Zeppelin on the complaint of Otto Hillig, who was refused passage on the airship's world trip, they must remove the Graf from the hangar not later than the hour set for her departure tonight from Germany.

The sheriff, if State authorities undertake removal of the huge craft, must provide his own ground crews and also find a place to keep the airship. Hillig, contending he was refused passage shortly before sailing time, has brought suit for \$125,000 damages, and the sheriff's office of Ocean County, N. J., has attempted to serve a writ of attachment on the airship, at present in the Government hangar.

WAR IN GRAIN RATES LOOMS

SANTE FE OFFICIALS TO
MEET 7 CENT CUT BY
KANSAS CITY LINE

Kansas City, Aug. 31.—(P)—A grain rate war, which would save shippers thousands of dollars, was looked upon as a possibility today when it was learned the Atchison, Topeka & Santa Fe railway planned to meet the Kansas City Southern's 7 cent reduction to New Orleans and Texas Gulf Ports.

Sante Fe officials said two representatives would be sent to Washington next week to file the new rate schedule.

Three Licenses Issued in County During August

Only three marriage licenses have been issued in Wilbarger County during the month of August, County Clerk J. E. Collins announced this morning. Couples stricken by Cupid are still showing a preference for Oklahoma weddings, the clerk points out.

Only twelve licenses have been issued in Wilbarger County since the new marriage law requiring couples to give notice of intention to marry three days before license is issued, and requiring the groom to present a health certificate signed by a physician went into effect. Four were issued in July and three in August. Frederick, Okla., has become popular among Wilbarger young people as a license bureau city.

DEATH CLAIMS AVIATOR AFTER MAKING RECORD

Thomas Reid of California Was Flying for Big Solo Endurance Purse in Order to Finance Honeymoon Trip With Bride of Only a Few Weeks.

Cleveland, Aug. 31.—(P)—Pilot Thomas Reid crashed to earth and was killed here today a short time after he had established a new record for solo endurance flights exceeding by at least two hours the old mark of 36 hours, 56 minutes and 36 seconds. The plane disappeared at about 3 o'clock this morning, watchers at the airport said. At dawn the wreckage was found.

Reid broke the new record at a short time after 1 o'clock this morning. He continued in flight above the airport for some time, but later the sound of his motor died away in the darkness. First reports were that he had gone to sleep at the controls and allowed the ship to get from under control. Reid had been in the air since 11 a. m. yesterday morning.

The plane was found shattered against a tree in Fairview Village by Pilot Bill Butters, chief pilot of the Stewart Aircraft Corporation, and Dale F. Dyer, who went up to look for Reid at daybreak. Reid's body lay 25 feet away.

The record which Reid established will not stand, inasmuch as rules of the American Aeronautical Association provide planes in altitude and endurance flights must come to earth at the point of taking off.

Reid had just been married, and was flying, he said, for money on which to go on his honeymoon. The ceremony was performed the day before he left California to attend the National air races here.

His death was the fifth to occur during the races. In addition to Miss Croson, Pilot E. J. Devereaux, Mrs. Devereaux and his mechanic were killed in a crash at Boston during the Philadelphia to Cleveland derby.

FIRE DESTROYS CITY RESIDENCE

TOM BOONE HOME BURNED
IN NORTHWEST VERNON
LAST NIGHT

Fire of undetermined origin destroyed the home of Tom Boone in the Bacon and Bentley addition, in Northwest Vernon, last night about nine o'clock. The house was occupied by Mr. Boone and family but no one was at home at the time of the fire. The Vernon Fire Department answered the call but were unable to save the house.

The property was valued at \$1,500 and was partially covered by insurance. Rapid spread of the flames made it impossible to save any of the household effects.

GENERALLY FAIR WEATHER ON CARD FOR NEXT WEEK

Washington, Aug. 31.—(P)—Weather outlook week beginning Monday: Southern plains and West Gulf states: generally fair except probably showers middle of week on the coast and again towards close of week in northwest portion. Seasonable temperatures will prevail, with cooler probably in northwest portion at close of week.

EAKER IN NEW YORK IS PLANNING ANOTHER FLIGHT

Roosevelt Field, N. Y., Aug. 31.—(P)—Captain Ira K. Eaker and Lieutenant Bernard Thompson landed their Shuttle plane here at noon today, having made a four-hour flight from Cleveland.

WEALTHY TEXAS CATTLE MAN DEAD IN FORT WORTH

Fort Worth, Aug. 31.—(P)—Funeral services were arranged here today for Eugene W. Clark, 63, a Texas cowhand who ran his savings into a fortune. He died in Fort Worth yesterday.

SURVIVORS OF SHIP WRECK DESCRIBES TRAGEDY

San Francisco, Aug. 31.—(P)—Possibility that the coastwise passenger steamer San Juan carried 116 persons instead of 110 as previously reported indicated today the loss of life in its sinking 55 miles south of here yesterday may have been as high as 74 persons.

Albert E. Gillespie, manager of the Los Angeles and San Francisco Navigation Company, owners of the San Juan, admitted that there may have been as many as 66 passengers aboard and the crew may have been numbered as high as 50.

Gillespie declared the list of 65 passengers, the only one available in the records of the company here, was based upon bookings made several hours before the ship sailed and the crew of 45 was as of last month. Scenes of tragedy and horror accompanying the sinking of the San Juan were reviewed by the 42 survivors here today as some of them recovered from the shock and injuries and others sought reunion with anxious relatives and friends.

Stories of the 31 survivors picked up by the Standard Oil tanker Dodd, which figured in the collision with the San Juan, as well as the eleven brought in on the coast guard cutter Shawnee after being rescued by the freighter Munami indicated there has been little chance for the survival of more than three score on the missing list.

An account of the sinking by Harry A. Wade, a San Juan passenger who was on his way to Los Angeles to become chief engineer of another ship, was typical.

"At the danger whistles I immediately assisted in marshalling a lifeboat off the davits and entered the water with a woman and a child and two men," said Wade. "We rode ten yards from the sinking ship when it plunged. The whirlpool threw the lifeboat in the air, and we all fell into the water."

"I started swimming and looked for the woman and child but could find no trace of them. One person floated close to me. I made a grab for him but he sank."

"Swimming around there I could hear the last screams of the terror-stricken people as they were pulled down into the vortex created by the sinking ship."

Wade was picked up by a Munami lifeboat.

DEBT PARLEY ENDS SESSION

REPORTS OF ALL WORKING
COMMITTEES MADE AND
SIGNED AT HAGUE

The Hague, Netherlands, Aug. 31.—(P)—The reparations conference which finally reached an agreement looking toward liquidation of the post-war problems after three weeks of intense effort adjourned today subject to the call of the President.

Reports of the political and financial committees, with documents registering agreements entered into here, were signed at a full conference this morning.

It was decided that the conference should not adjourn without due because it was necessary for the work of the sub-committees to be approved formally in order for the Young plan to go into operation legally. The sub-committees appointed were:

BRUSH ARBOR REVIVAL OPENS NEAR OKLAUINION

A brush arbor union revival was opened Friday night east of Oklahoma, between Harold and Elliott, with Rev. Dan Ayres of Vernon, conducting the services. The meeting will continue throughout next week. Rev. Ayres will preach at the evening services and other local pastors will assist in morning services. Everyone is invited to attend.

VALUATIONS IN VERNON SOAR TO NEW PEAK

Increase of Four and Half Million Dollars in Taxable Values in Recent Years Revealed in Report of City Secretary S. H. Hall.

Tax valuations for the City of Vernon for 1929 reached the high mark of \$8,255,160, exceeding 1928 valuations by \$125,000, according to the report prepared by City Secretary S. H. Hall. The tax rate, which was fixed in July, is \$2.15 on the \$100 valuation, bringing the total revenue from taxes to \$177,455.94, not considering the natural losses from delinquencies.

The valuations for 1929 exceed those for all previous years, and shows an increase of \$4,447,600 in the last ten years. For the year 1919 tax valuations were \$3,807,560. The greatest gain in one year was in 1920, the year of Vernon's first "boom," when valuations jumped from the previous mark of \$6,901,164, an increase of \$3,093,604.

In 1921, following the general deflation of values due to the collapse of the boom of 1920 the City Commission made a voluntary reduction from 1920 valuations of 20 per cent. This was followed in 1922 by another reduction of 10 per cent. These two cuts explain the losses in valuations for these two years. In 1924 values began to climb by reason of growth in the city and gains have been steady since that time.

The increase started in 1924 and has gone forward annually since that year. With the development of business property and the added wealth to individual estates by reason of oil interests, the valuations have kept up a steady growth. Prospects for a record-breaking increase for 1930 are bright, according to the opinions of city officials.

The city tax, set at \$2.15 on every \$100, is divided four ways, according to Secretary Hall. Thirty-five cents is reserved for a general fund which takes care of general miscellaneous expenses of the city, such as salaries and equipment. Seventy-

SHIPWRECKED CREW RESCUED

FIFTEEN MEN ARE FOUND
AFTER ROWING 400
MILES IN BOATS

Washington, Aug. 31.—(P)—Coast guard headquarters was notified today by the coast guard cutter Northland that she had picked up the crew of the Norwegian ship Elisif, wrecked off Cape Billings, Siberia, Aug. 19.

The crew of fifteen men was found on Dionised Island, off Alaska, which the shipwrecked men had reached after rowing 400 miles in open boats.

Dewey Howell Dies at Wichita Falls Hospital

Dewey Howell, 30, formerly of Vernon, died in a clinic at Wichita Falls yesterday evening about 7 o'clock after a desperate battle with typhoid fever and mastoid affection during the last two weeks. He was brought from Wichita Falls to the Frost-Dobbs funeral home last night and prepared for burial. The body was shipped this morning to the Willis Point where funeral services will be held tomorrow afternoon. Interment will be made at Willis Point, his former home.

Surviving Mr. Howell are his mother, Mrs. Tom Howell of Willis Point; three sisters, Mrs. Maud Walker and Mrs. Dollie Perkins of Willis Point and Miss Dovie Howell of Wichita Falls; one brother, Lee Howell of Pampa; and three half-brothers, Cleveland, Eddie, and Tommy Howell, all of Ben Wheeler.

Mr. Howell, who has been living in and near Vernon for the past five years, was working in the harvest north of Amarillo when he became ill. He was brought to a Vernon hospital where he stayed until last Sunday when he was removed to the Wichita Falls clinic.

CONTRACT TO BE LET SOON ON HIGHWAY NO. 5 PAVING

Paving of Highway No. 5 from the end of the present pavement near Tolbert to the Hardeman County line is included in a list of projects for which contracts are to be awarded by the State Highway Commission Sept. 17-18, according to Associated Press dispatches from Austin today.

The Wilbarger project is the gap in the Colorado-Gulf paving between the end of the pavement in this county and the Hardeman County concrete, a distance of about six and a half miles.

Austin, Aug. 31.—(P)—Contracts for construction work on approximately 112 miles in 11 counties will be let by the State Highway Commission September 17-18, Gibb Gilchrist, highway engineer, announced today.

The projects:

Denton County, 8.31 miles grading and drainage structures, Highway 40, from Federal aid project 117 south to Dallas County line.

Dimmitt County, 8.90 miles gravel base course, Highway 55, from 11.2 miles south of Asherton to one-half mile north of Catarina, 9.54 miles gravel and caliche base courses, Highway 55, from 11.2 miles south of Carrizo Springs to 11.2 miles south of Asherton.

Goliad County, 16.95 miles concrete pavement, Highway 12, from Goliad to Goliad-Bee County line; 12.84 miles concrete pavement, Highway 12 from the Victoria County line to Goliad.

Lavaca County, 8.46 miles grading and drainage structures, Highway 72, from Hallettsville to Mustang Creek.

Matagorda County, 9.81 miles grading and drainage structures, Highway 71, from St. Louis, Brownsville and Mexican underpass to Wharton city limits.

Randall County, 8.34 miles grading and drainage structures, Highway 9, and 8.29 miles grading and drainage structures, same highway, from Canyon to station 435.

Wilbarger County, 6.29 miles concrete pavement, Highway 5, from 11.2 miles east of Tolbert to the Hardeman County line.

Jackson County, .58 mile concrete pavement, Highway 12, Edna to Victoria County line.

Karnes County, construction of bridges spanning the San Antonio River on State Highways 72 and 112.

Milam County, 15.06 miles concrete pavement, Highway 43, from Road District 6 to Milano Road District 29.

Hays County, construction of bridge over San Marcos River, Highway 2.

J. T. ROBISON BETTER TODAY

CONDITION OF TEXAS LAND
COMMISSIONER IMPROVES
IN CONNECTICUT

Austin, Aug. 31.—(P)—Improvement in the condition of J. T. Robison, Commissioner of the General Land Office, was noted this morning, according to a telegram received by J. H. Walker, chief clerk of the Land Office.

Mr. Robison is critically ill at the home of a son, Dr. J. T. Robison, Jr., in New London, Conn.

Today's message was from Mrs. Robison. Yesterday a message from Dr. Robison said his father's death was "a matter of hours."

Mr. Robison is ill with pneumonia.

ATTEMPT MADE ON LIFE OF MEXICAN CANDIDATE

Mexico City, Aug. 31.—(P)—An attempt to assassinate Jose Vasconcelos, presidential nominee of the anti-revolutionist party was revealed here last night at a demonstration by several hundred members of the party. A speaker addressing the demonstrators at the doors of La Universal, Mexico City newspaper, asserted Vasconcelos owed his life to the fact that his chauffeur lost his way and did not pass by a spot on the road near Santa Buenaventura, Coahuila, where five would-be assassins lay in wait to ambush him.

\$3,000 Fire Loss
Corlesana, Texas, Aug. 31.—(P)—Loss of \$10,000 was caused by fire that destroyed the W. J. Anderson ranch at Chatfield, 12 miles east of here last night. Five bales of cotton were also destroyed.

CASE PROBABLY WILL BE GIVEN TO JURY TODAY

Three Peace Officers Called by the State Testify Defendant Who Is Scheduled To Die in Electric Chair for Robbery Is Sane.

Eastland, Texas, Aug. 31.—(P)—Testimony in the Henry Helms sanity hearing here was concluded at 11:05 o'clock this morning, and arguments were begun immediately following the reading of the court charge.

Judge Davenport allowed each side one and one-half hours for argument. Judge Rust opened for the defense. He was to be followed by County Attorney Joe H. Jones, for the state, with Judge W. W. Hair of Abilene, special prosecutor, making the closing argument.

Helms continued his murmuring today, and apparently paid no attention to the proceedings. His father, mother, wife and baby sat near him.

Mrs. Nettie Helms, wife of the man sentenced to die in the electric chair September 6 for his participation in a Cisco bank robbery, was recalled to the stand and testified she had never received money for the guns alleged to have been used by Helms in the holdup.

Among witnesses called by the state today were three peace officers who said, in their opinion, Helms was sane.

The defense offered the testimony of Howard R. Whiteside, who described himself as an itinerant student of the human mind. The state offered no objection to his testimony, and the court permitted his testimony to the effect that Helms was insane.

CAMP WRECKED BY DAM BREAK

WOMAN DROWNED AND HER
HUSBAND INJURED IN
COLORADO FLOOD

Colorado Springs, Colo., Aug. 31.—(P)—Mrs. Bertha F. Emery was drowned and her husband seriously injured today when the Ute Pass Club dam, 18 miles west of here, went out.

All of the buildings in the Colorado cabin settlement near the dam were destroyed when a wall of water from the dam swept down the valley and spread out over the territory.

The roaring water awakened Mr. and Mrs. Emery, and they rushed from their cabin to warn others nearby. Emery told his wife to run for higher ground as he ran from door to door pounding on the cabins. It is believed all others in the cabin camp escaped.

After the water had receded, searchers found Mrs. Emery's body a short distance down the valley. Eighteen persons are said to have been in camp at the time.

Labor Day Will Be Observed in Vernon Quietly

Labor Day will be observed quietly in Vernon, with no special programs of any kind planned, according to officials of various labor unions in the city. No union men will work next Monday in observation of the day, otherwise nothing unusual will be evidenced.

THREE HUNDRED MINERS ESCAPE BLAST IN SHAFT

Renton, Pa., Aug. 31.—(P)—Three hundred miners escaped and twelve others were burned in an explosion in the Renton mine of the Union Collieries here today.

The coal diggers burned were taken to a hospital at New Kensington, where several were said to be in a serious condition.

SPUDDERS WIDEN GAP BY WINNING WACO SLUGFEST

WICHITA SLUGGERS SLASH OUT VICTORY, WHILE HOUSTON AND DALLAS ARE TAKING DRUBBING

(By the Associated Press)

Any faint hopes that the Spudders had tripped over their own bat bag and would not come jumping in with the second half title just about expired with yesterday's contests, in which the leaders extended their advantage over the Buffs to three and one-half games.

It is noteworthy that the Spudders have the ability to come through when pressed. With a six-game lead two weeks ago they hit a slump that saw their advantage wiped out almost overnight. But, the day that Houston tied them for the pinacle they took a once and started a rally that has carried them to five straight victories.

The leaders' vaunted batting attack broke loose in all its fury yesterday against the Cubs and hammered out a 15 to 11 decision after defeat seemed almost certain. Houston on White, the Baby Bears held a 5 to 2 edge after three innings. Then the Spud sluggers came out on top in the fourth, sending him to the bails, and finished up on Laffy Stiles.

The Buffs lost ground when the Sports downed them, 8 to 5, in a slugfest that opened their series. The Bears gunned it in his off Wilbur Cooper, conspired to 14 credited to the Sports off Brown and Rose, but could not back them.

Vic Flanagan, Dallas rookie phenom, had his victory streak halted at seven straight when the Spudders took of him from the hit in seven innings and increased the first half chances, 1 to 1. The setback practically removed any Steer chances of repeating this half.

Neal Baker belted Rufus Meadows in a slab deal at Fort Worth, the Texans winning the first tilt of their transferred series, 5 to 1. The ex-

Bobby, The Great, Turns in Dazzling 67 on Famed Links

Del Monte, Calif., Aug. 31.—(P)—America or England, New York or California—its all the same to Bobby Jones.

The well known alumnus of Georgia Tech, seemingly bent upon causing more disturbance in the Golden West than the whole Tech eleven did at new year's day on the gridiron, has already stolen the rehearsal for the National amateur golf championship. He seems destined to steal the main show that begins Monday.

The four-time American amateur king and three-time open champion brought his practice week to a climax yesterday on the Pebble Beach course with a sensational 67, beating par by five strokes and his own course record by three shots.

In subduing the widely hailed hero of this famous course, with its chain and cliffs, its bunkers and its fairway skirting the ocean, Jones shot one of the greatest rounds of his career. Nothing particular was at stake beyond the battle between the world's greatest golfer and the formidable layout that previously had resisted all attempts to crack 70. Jones had already weakened its endurance, perhaps, by scoring that figure three days ago. Yesterday he landed the knockout.

NEW YORK SWIMMER WINS LAKE ONTARIO MARATHON

Toronto, Ont., Aug. 31.—(P)—Competitor of Lake Ontario's top swimmers and 287 swimmers as well, Edward F. Keating of New York was satisfied today for he had won an old score with Edward Viatcheslav, German nation, now living in Toronto.

Victory in the fourth annual 15-mile swimming marathon here yesterday netted Keating a cash award of \$25,000, but he seemed to take more satisfaction out of the fact he had forced Viatcheslav to be content with second place and \$5,000.

There has been bad feeling between Keating and Viatcheslav ever since 1927, when the German charged Keating had been "sworn" by his swimming coach in the Lake George swim that year.

Keating, swimming the 15 miles in 8 hours, 15 minutes, 13.3 seconds, finished about 300 yards ahead of Viatcheslav.

CHICAGO LOSES FOURTH IN ROW TO PITTSBURGH

Leaders Still Have Healthy Lead, but a Vicious Pirate Attack Has Them Groggy as They Face Star Hurler in Final Contest of Present Series.

(By the Associated Press)
The Cubs almost certainly will become champions of the National League within the next month, but they never can be champions of the Pirates of 1929. The Pirates attended to this detail at Forbes Field yesterday when they took Gay Bush and the Bruins, 15 to 0 for the twelfth Pittsburgh victory over Chicago this season and the fourth in three days. The Cubs have won only eight games from the Buccaneers, with two more to go, one today in Pittsburgh and one on the final day of the season in Chicago.

Saturday's game was greeted by Sheriff Fred Blake this afternoon in the final game of the current series which the Cubs looked upon so lightly. Four straight Pittsburgh victories have reduced the Chicago lead only from fourteen and one-half games to ten and one-half, but another success for the arms of Dreyfuss today would give Joe McCarthy good reason to worry. It seems impossible that such a lead could be blown, but the moral effect of a fifth straight reverse upon the Cubs might leave them easy prey for succeeding foes.

Carl Hubbell got a bad break when a fumble by Travis Jackson in the tenth inning at Ebbets Field caused him to drop a 2 to 1 decision to Darcy Vance and the Robins, but then the Giants were fortunate in a way that the tenth inning was played at all. They got only four hits off the Dumbell, but one of these was a drive by Fred Leach to the top of the right field wall. The ball could just as easily have dropped back into the play, giving field for a double, but instead it went into the street for a home run.

Chuck Klein's thirty-fourth home run sent him into the National League lead over Mark Wilson and Melvin Ott, and incidentally helped the Phillies down the Braves, 5 to 3 at Boston. St. Louis and Cincinnati were not scheduled.

With the western clubs enjoying an over date and the Yankees and the Senators named out, the Athletics and the Red Sox had the American League race to themselves. The Athletics celebrated by permitting Jack Russell to hold them to seven blows as the handling Bostonians picked up one off the Masses. Barnshaw and Russell to win a close game, 4 to 2.

Barnshaw was seeking his twentieth victory, an occupation which has kept him busy for some time now. The Athletics lost half a game of their lead, of course, but the margin at nightfall last night nevertheless was thirteen games.

SAIL BOATS CONTEST FOR LIPTON CUP AT GALVESTON

Shores Acres, Galveston Bay, Aug. 31.—(P)—First class sailors of seven southern yacht clubs were here today for the opening of the tenth annual Lipton Cup sail boat races. The first race was due to begin at 3:15 p. m. The Houston Yacht Club, the host, and Pensacola, Fla., were the favorites. Other entrants were Mobile, defending champion, New Orleans, Biloxi, Miss., Sarasota, Fla., and St. Petersburg, Fla.

The \$5,000 Lipton trophy, symbol of southern boating supremacy, will be awarded the team which scores the most points in the four races on three-day program.

Before the start of the initial race members of the Gulf Coast Yachting Association planned to hold their annual business meeting.

VERNON PLAYS ELDORADO NINE

GAME WILL BE PLAYED AT BOX SCHOOL FIELD AT 3:30 SUNDAY

The Vernon All-Stars, former Sunday School leaguers, will entertain the Eldorado, Okla., baseball team on the Box School diamond southeast of Vernon tomorrow afternoon. The game is scheduled to start at 3:30. The Eldorado club boasts of a hard hitting crew of players, who can field with accuracy. They have been victorious over teams of Northwest Texas and are reported to be equal to the Vernon team, although the clubs have never met.

Gilbert Bourland is due to start the mound service for the home team, with J. K. Lankford or Bert Williams in reserve. Bourland pitched the first game for the Vernon team and turned in a good day's work, although the game was lost due to errors.

The remainder of the line up, as announced by Manager W. R. Smith this morning, will consist of Rainwater, short stop; Carneg, second base; Bob Williams, third base; Shoemaker, left field; Curran, catcher; Perkins or Sands, center field; Bridges, right field; and Burgess, first base.

TEXAS NETMEN PLAY IN TENNIS FINALS TODAY

Brookline, Mass., Aug. 31.—(P)—George Lott, Jr., of Chicago, and John Doeg, Santa Monica, Calif., were conceded an excellent chance of defeating Berkeley Ball and Lewis N. White, Texas champions, here today in the championship round of the 48th national doubles tournament. A year ago Lott teamed with John F. Hennessey of Indianapolis to defeat Gerald Patterson and Jack Hawkes of Australia for the national doubles title, and in 1927 the Chicago player and Doeg were able to reach the semi-final round.

FIGHTS LAST NIGHT

(By the Associated Press)

Evansville, Ind. — W. L. (Young) Strubling, Macon, Ga., outpointed Joe Packer, Toledo, (10).
San Diego, Calif.—Raymond Montoya, San Diego featherweight, and Santiago Zorrilla, Los Angeles, fought to a draw, (10).

WHITNEY HORSES FAVORED IN SARATOGA RACE TODAY

Saratoga Springs, N. Y., Aug. 31.—(P)—A purse of more than \$50,000 awaited the Winner of Saratoga's closing classic today—the 25th battle for the Hopeful Stakes.

In a field of 11 great two-year-olds, the Harry Payne Whitney entries of Whitchone and Boojum were odds-on favorites. Overnight odds were 3 to 5 on the Whitney entry with indications they would drop lower in the event of a fast track. In the field were the fair stable entry of Saratoga II and Desert Light; the W. R. Coe entry of Caruso and Black Majesty; R. S. Clark's western filly, Galadys; Charles Earl's Jim Dandy, surprise winner of the Grand Union Hotel Stakes; Swinfield, Breeding Thru, and Pricles.

FINALS TO BE PLAYED IN WESTERN GOLF TOURNEY

Cleveland, Ohio, Aug. 31.—(P)—Two courageous stalwarts of feminine golf, Mrs. O. S. Hill of Kansas City and Mrs. Gregg Lifer of Los Angeles, who have survived a withering gale of upsets by their brilliance, faced each other on the historic Mayfield Country Club links today in the final 36-hole struggle for the Western women's championship.

In yesterday's semi-final round Mrs. Hill ascended to par breaking heights to turn back Peggy Wattles of Buffalo, 3 and 2, and the Little Californian fought an uphill battle until she finally vanquished her home town rival, Kathleen Wright, one up.

POLO MATCHES WILL BE PLAYED AT WESTBURY, N. Y.

New York, Aug. 31.—(P)—Two 30-goal teams, Sands Point and the Anglo-American Eastcots, were matched in the opening clash of the National polo open championship at the Meadow Brook Club, Westbury, N. Y., today.
Sands Point, led by Tommy Hitchcock, international and only active 10-goal handicap man in the American polo, was a slight favorite over the Eastcots who have given a spottier exhibition in their several practice games on this side of the Atlantic.

Coming Month To Mark Resumption of Study Club Activities

Hill Crest Country Club Opening Fall Social Season Next Tuesday With Dance; Other Functions Set

With September at hand and summer vacations at a close, the social activities are reviving and women in Vernon social circles are awakening to active duties from the summer lethargy. Study clubs take up their new studies of the year during September and Parent-Teacher associations and other social organizations of the city plan to renew their activities with zeal.

Among the feature attractions heralding the Fall months will be the Wilbarger County Rural Club fair, which will be held September 13-14 in the basement of the County Court House. Miss Emma Gunter, home demonstration agent, will sponsor the girls' and women's club exhibits,

while R. E. L. Pattillo, county farm agent, will supervise the boys' club exhibit. A complete display of the work of the clubs in poultry, handicraft, canning, and other features will be on exhibit at the fair, it is said.

Hill Crest Country Club is opening the fall social season next Tuesday evening with a dance at the club house. Music for the evening will be furnished by Ralph Britt's orchestra, "The Oklahomans," one of the most widely renowned orchestras of this part of the country.

The Home Economics Club is planning to sponsor a home talent play, entitled "Corporal Eagen," on October 23-25, as the first active work outlined for the year. The Universal Producing Company of Fairfield, Iowa, is to produce the play with a local cast.

The first of the study clubs to meet in September will be the Social Arts Club, which meets Thursday afternoon, September 12, at the home of Mrs. R. S. Amlott on Paradise Street. A program on Hamilton Gibbs' "Harnessed" will be given during the afternoon under the leadership of Mrs. Harold Shive.

The Home Science Club meets Friday afternoon, September 13, at the Yamparka Club House with Mrs. Eunice Wilson as leader and hostess. An interesting program on "The American Home" has been planned for the meeting. Mrs. J. D. Graham, Mrs. J. R. Huie, and Mrs. W. W. An-

Oklahoma Guest Is Honored by Virginia Sewell

Honoring her guest, Miss Katherine Evans of Mangum, Okla., Miss Virginia Sewell entertained with a lovely party at her home on Lamar Street Friday afternoon. Four tables were arranged about the home for bridge amid attractive decorations of garden flowers.

In the games, the prize for high score was awarded to Miss Minerva Price Rhoads and Miss Nina Ruth Terrell was consoled with low score prize. The honoree was also presented with a gift. A delicious salad and ice course was served at the close of the afternoon.

Those present were: Miss Nina Ruth Terrell, Miss Minerva Price Rhoads, Miss Frances Murchison, Miss Margaret Boger, Miss Ruth McColloch, Miss Katherine Pigg, Miss Dolores Williams, Miss Robbie Flaniken, Miss Estelle Williams, Miss Annabelle Robertson, Miss Ethelbert McDonald of Miles, Miss Willie Grace Hobbs of Gainesville, Misses Margaret and Mary Helen Moseley of Quanah, Miss Mary Lee Hampton of Quantah, the honoree, Miss Evans, and the hostess, Miss Sewell.

Virginia Lawrence Entertains Friends With Slumber Party

Miss Virginia Lawrence entertained a number of girl friends Friday night with a slumber party at her home, 2530 Maiden Street, and a sunrise breakfast this morning at Allingham Park. Refreshments of sandwiches and lemonade were served at the entertainment last night.

The guests were: Miss Irene Thomas, Miss Eva Joe Pybas, Miss Pauline Richie, Miss Edna Mae Huckleberry, of Colorado, Miss Edith Lacy, Miss Pauline Turley, and the hostess, Miss Lawrence.

Persons are to take parts on the program.

Mrs. Earle Norwood will be hostess to the first meeting of the Home Economics Club on Wednesday, September 18, at her home in West Vernon. A program on "Texas" will be given at the meeting.

Vernon Young People Are Making Preparations To Leave for College Soon--Will Be Widely Scattered

With the approach of the new school year, 1929-30, plans and preparations are being made by the young college students of Vernon to enter the various colleges and universities for the opening of the fall term in September. Several have signified their intentions of attending schools out of the State while a majority plan to attend colleges in Texas.

Twenty-five graduates of the 1929 class of Vernon High School have applied for their credits at this time and are planning on continuing their studies at colleges in September.

These graduates have signified their intentions of attending the following schools: Miss Lois Copeland, West Texas State Normal College, Canyon; Miss Clova Lila Couch and Miss Naomi Canafax, North Texas State Teachers College, Denton; Miss Frances Davis, College of Industrial Arts, Denton; Miss Agatha Gandy, Texas Woman's College, Fort Worth; Miss Maurine Knapp, Wayland Baptist College, Plainview; Miss Elizabeth Lane, Simmons University, Abilene; Miss Christine Lewis, Texas Women's College, Fort Worth; Miss Dorothy Michels and Miss Lorena Morris, College of Industrial Arts, Denton; Miss Sarah Norris, Texas Technological College, Lubbock; Miss Inell Powell and Miss Hazel Phipps, C. Mrs. Douglas Edwards was elected president of Parker School Parent-Teacher Association to fill the vacancy of Mrs. W. T. Flovin, who has moved out of town, at a call meeting of the P-T. A. Friday afternoon at the school. Mrs. Roy McClendon presided at the business session.

Mrs. H. H. Hamilton, of Tealing, formerly Miss Ruth Carney, of this city, who was a teacher in Parker School last year, was present at the meeting and was presented with a silver bread tray as a gift from the association. About 20 members were present.

Entertainments Honoring Guests and Parties Complimenting Bride of Major Interest in Society Here

Entertainments honoring out-of-town guests and party showers given for Mrs. E. M. Rogers, Jr., recent bride, proved to be of major interest in society during the week. Two lovely parties of the week honored Mrs. Rogers, when the 1926 Bridge Club entertained with a party and miscellaneous shower at Hill Crest Country Club Tuesday afternoon, and Mrs. James C. Pace was hostess to the same club in her honor with a party at her home on Wichita Street, Wednesday afternoon. An interesting musical program featured the former entertainment, while bridge was the diversion at Mrs. Pace's party.

Miss Katherine Evans of Mangum, Okla., attractive guest of Miss Virginia Sewell, was honoree at a delightful party Friday afternoon given by Miss Sewell at her home on Lamar Street. Several tables of guests played bridge throughout the afternoon.

Miss Lorraine Freeman, of San Angelo, and Miss Aurelia McCelvey, of Houston, who are the guests of Mrs. Arthur Lloyd, were honorees at a bridge-slumber party Friday night and a sunrise breakfast this morning given by Mrs. Lloyd.

Mr. and Mrs. C. T. Sullivan entertained their house guests, Mrs. E. C. Humphreys of Memphis, Tenn., and Linton Humphreys and daughter, Jean, of Burlington, Okla., with a watermelon feast at Hill Crest Country Club Wednesday evening.

Among the socials the first of the week were the meetings of the Methodist Missionary Society at the church, Circle No. 1 of the Baptist Missionary Society at the home of Mrs. W. S. Currin, the Young Men's Society of the Central Christian Church at the home of Mrs. Marvin Blake, and the meeting of the American Legion and Auxiliary at the Legion Home. The Girl Scouts of Vernon entertained with a sunrise breakfast at Allingham Park Tuesday morning, followed by "know your home town" tour of Vernon.

THE COURTS VS. GOVERNOR

Governor Moody and The Record apparently differ radically in interpretation of the duties of his office as to the exercise of the clemency power vested in it. His action during his tenure of office affords grounds for the belief that he views the authority vested in him as partially judicial. The Record prefers to interpret the word clemency as representing granting of mercy, and subscribes to the theory that the Governor's pardoning power is limited to that, and does not confer upon him the duty or obligation to try the case in his own mind and render a verdict according to his own convictions.

Cases are supposed to be tried fairly in the judicial branch of the government, and this branch is distinct and separate from the executive division. If trial courts err, provision is made for the defendant to take the case before learned and experienced jurists who sit on the bench of the Court of Criminal Appeals. When this group of eminent judges confirms the opinion of the trial court, it seems wholly unnecessary to have the case retried in the mind of an individual who happens to be vested with the pardoning power, and such procedure tends to make a farce of the courts.

Yet Governor Moody apparently questions every verdict of the courts in cases appealed to him. The Record believes that the primary matter to be determined by the Governor is whether new and heretofore unavailable evidence offers conclusive proof that the defendant is innocent. However, the Governor apparently deems it his duty to sit in judgment upon each claim of the defendant, and in order to make it possible to pass upon these details delays the execution of the court's sentence time after time.

Perhaps the Governor has a higher opinion of his legal ability than the average citizen of the state, but if he is especially learned in law it seems that he is in the wrong branch of the Government. The Record believes that the sentences of the courts should be carried out with as little delay as possible. The various avenues of delay provided by the court system itself consume too much time. Add to this a number of delays occasioned during executive consideration of the case and sufficient time has elapsed for the Governor and almost every other individual to be disposed to overlook some of the more serious aspects of the crime and view criminal leniently. Crime thrives on delay in the functioning of justice.

SOMETHING NEW IN GOVERNMENT

The subject of Russian recognition is not mentioned in this country quite as often as it was a few years ago. And recent news articles make one wonder if the question is not, after all, a relatively unimportant one.

There is a great deal to be said, pro and con, about the broad question of Russian propaganda, debt repudiation, etc. Meanwhile, two salient facts are emerging. One is that Russia is desperately in need of precisely the kind of good that America has for sale; the other is that both Russians and Americans, realizing this, are beginning to do business on a big scale.

The other day a big American steamship company signed an agreement with the Russian Government to establish a regular steamship service between New York and Russian Black Sea ports, with sailings at each end of the line twice a month.

At the same time, the Russian Government announced the purchase from a Cleveland concern of more than 700 tractors. This, coming on the heels of the announcement that Ford is to establish a large factory in Russia, is interesting; the more so in view of the fact that the Russians have also contract with an Akron rubber company to construct a new tire factory at the city of Yaroslavl. The Russians have signed "technical assistance" contracts with 25 big American firms. American experts will

help the soviet executives establish factories, will initiate them into the mysteries of mass production, will show them how to transplant American prosperity. Already an American capitalist has constructed a giant power dam.

The effect of all this is bound to be great. It goes without saying. It goes without saying that a Communism to which has been grafted modern American industrialism will not be the sort of Communism that Russia instituted just after war. It will be interesting to watch the evolution. That development of the resources and industrialization of the country by American capital will stabilize the government is certain, and it will be interesting to see how the government itself will be re-adjusted. Even though it is not recognized, the Communist government, with the aid of American financial experts, gives promise for the future.

COTTON CROP REDUCTION SEEN BY M. K. & T. CHIEF

Dallas, Aug. 31.—(P)—A 25 per cent reduction in the probable cotton crop along the Missouri-Kansas-Texas railroad lines in Texas and Oklahoma is seen by H. E. McGee, vice president and general manager of the K. T. McGee returned here yesterday from a trip of inspection. A rain at this juncture, he believed, would work no good, the stalks being too mature to put on a top crop.

Tunney to Winter in Florida. Miami, Fla., Aug. 31.—(P)—The Daily News is advised that Mr. and Mrs. James J. Tunney are to pass the winter here.

"My Husband Had To Quit His Work Days at a Time," Says Wichita Falls Woman

"He Suffered for Eight Years But Since Taking Orgatone Hasn't Lost a Day's Work and Feels Fine," Said She.

"My husband's condition was getting serious and he just had to quit his work for a day or two at a time, he felt so bad," said Mrs. J. E. Strain of 2312 Austin street, Wichita Falls, Texas.

"But since he began taking Orgatone, he hasn't lost a day's work," continued Mrs. Strain.

"He had indigestion so bad, every time he ate anything, he would suffer afterwards. Everything he ate soured on his stomach, and caused gas to form, which crowded his heart and he would have palpitation of the heart and fainting spells. He was very bilious and dizzy at times, would have to hold, to keep from falling. His kidneys bothered him and he would have severe, intense pains in his back and sides. Had frequent headaches, and had a bad case of constipation. He tried a lot of medicine but never seemed to get the right one for his case.

"Orgatone was advertised so highly and was recommended to him, and he started taking it. I am certainly grateful he found it, for he is now in fine condition. He eats anything he wants now, and doesn't have indigestion at all, and all of the bilious and dizzy spells have disappeared. He sleeps so well at night, that I can't hardly get him to wake up in the mornings. He works every day now, and feels better than he has in years. Orgatone has helped him so much, he is now telling his friends about it, and I am glad to give this statement for him."

Genuine Orgatone is not a so-called patent or secret remedy but a new scientific bile preparation and is sold in Vernon, exclusively by the Vernon Drug Store, under the personal direction of a special Orgatone representative.

Mutual Protective Life Association (LOCAL MUTUAL AID)

Is grateful for the many friends who have helped us to be one of the largest mutual aids in Wilbarger County. We have met all the requirements of the new law governing mutuals, and will soon double our membership and build a surplus in all of our classes.

Those who want in Class B had better get in now. We can only admit 100 more members in this class, then we will reduce ages from 60 down to 50.

ARCH CONFORMER asks this test of you!

THE new Arch Conformer shoes are a revelation in arch shoe design, as a single test will prove. Make this test yourself. Examine carefully their new principles of built-in comfort. Pull back the shoe lining and feel the heel padding where the foot comes in contact with the heel. Then try them on. You will be amazed to find that such high-style shoes, with fashionable Louis, Cuban, or French heels, can be so instantly and completely comfortable.

Winners in Lion Yard and Garden Contest Named

Twelve winners of the yard and garden improvement contest, sponsored by the Vernon Lions Club, were announced Friday at the regular Friday luncheon hour and cash prizes amounting to \$60 were awarded the winners who were present. The contest, which was started June 15, came to a close Thursday with the judging of the lawns and premises of 54 entries.

Lion President M. G. Potot explained that while the contest itself was interesting and worth while, the underlying principles were to encourage the beautifying of residences of the city of Vernon.

Three classes of winners were announced, and three sets of first, second, third and fourth prizes were awarded, although the prizes corresponded in amount. The first class consisted of all entries whose houses and lots were valued at below \$2,500; second class included houses and lots valued between \$2,500 and \$5,000; and third class included houses and lots valued at more than \$5,000. The first prize awarded in each case was \$15; second prize, \$10; third prize, \$5; and fourth prize, \$2.

With 500 points as a basis of judging, the points considered were as follows: sanitation and neatness, including disposal of waste and rubbish, condition of buildings, fences and gates, and drainage; lawn, plantings, including background selection and arrangement, foundation planting, borders, flowers and permanency of all.

The winners of the contest were selected as follows: Class 1, first prize—Mrs. B. F. Lowe; second prize, K. E. Kennedy; third prize, Herbert Jackson; fourth prize, Fred Newth. Class 2, first prize—Mrs. A. J. Schell; second prize, Mrs. C. W. Oliver; third prize, A. A. Hingst; fourth prize, G.

Aid for Cotton Growers of South Assured Moser

Dallas, August 31.—(P)—Returning from a conference with the Federal Farm Board in Washington, C. O. Moser of Dallas, president of the American Cotton Growers Exchange, brought with him assurance cotton farmers would be given ample financial aid. The board, Moser declared, promised to authorize a loan of from \$5,000,000 to \$10,000,000 to the exchange, and more if necessary.

INDIAN PRINCESS 107 YEARS OLD SUCUMBS

Livingston, Aug. 31.—(P)—The Alabama Indian Princess Celestia Mikko, daughter of the illustrious late Chief Co La Be, head of the tribe a century ago, is dead at the age of 107.

Princess Celestia died at the home of her daughter, Jose Thompson. The Alabama Indians' Polk County reservation was obtained from General Sam Houston in 1832 by Chief Co La Be, who rode horseback to Austin to intercede for his people, whose descendants still live out their lives there.

Her burial took place at sun down in the Indian cemetery on the edge of the village with the Rev. C. W. Chambers, missionary to the Alabama and Coushatta tribes for more than 30 years, officiating. Celestia accepted the Christian faith many years ago.

SEVERAL WELLS PICK UP SAND IN LOCAL AREA

Oil Activity in This District Revives as Threat of Production Congestion Fades—Development Has Lively Trend in Foard County Territory.

Oil activity in this area is on the upward trend now following a period of comparative quiet resulting from a threat of congestion in production. A number of wildcats are searching for the sand in the Waggoner Ranch, and a number of tests in the proven area have reached the sand.

Easter Oil Company's A-5, located in section 26, block 4, H. & T. C. survey, is waiting on tools to drill in on a sand picked up at 2,332. The company's A-6 has a sand at 2,391 feet and is swabbing and cleaning out. It swabbed 150 barrels in 24 hours.

Empire Oil Company's A-9 swabbed 220 barrels in 24 hours from a sand at 1,839 to 1,865 feet. It is located in section 32, block 4, and is showing from one of the most promising producers recently completed in that area.

Fain & McGaha have a good showing in their W-12, which is in a sand at 2,309 feet. It flowed 379 barrels in 24 hours. The company's W-17, swabbed 96 barrels in twelve hours from a sand at 2,311 feet. Both wells are located in section 34, block 4, H. & T. C. survey.

Golding & Cochran are swabbing J-2, and it is making about 200 barrels a day from sand encountered at 2,421 feet. It is located in section 17, block 4.

Lewis A-8 is swabbing a sand picked up at 2,339 feet, but no test has been made. It is located in section 18, block 4.

Activity in Foard County remains lively. In the western part of the county the Humble Oil & Refining Company's L. K. Johnson No. 1 is drilling below 4,100 feet, but is being hampered by difficulties with cavings and water. It is planned to caving this well 5,000 feet in search of deep sands.

After failing to make a well around 2,300 feet, the Wich-Tex No. 1 Johnson has been plugged back to 1,400 feet. After being shot at that depth it is making a strong gas flow, and is spraying oil. The production is to be tested, and it is believed the test will make a paying well.

The Humble Oil & Refining Company's No. 1 Matus has a promising showing at 1,330 feet. Casing has been set, and operators are very optimistic. The well had a gas sand at 845 feet, much shallower than the gas level encountered in other wells.

Hunters Ready for Opening of Dove Season Here

Dealers in guns and ammunition report a slight increase in sales this week as the opening of the 1929 dove season is proclaimed. The season for killing doves opens September 1, and continues through October 31, according to Pete Hopson, Wilbarger County game warden.

The open season is not without its restrictions, however. According to the laws respected and enforced by Mr. Hopson, no hunter shall bag more than fifteen birds in one day, nor more than 45 in a single week. Owing to a shortage of grain crops the fowls are not so numerous this season as they ordinarily are, and strict measures will be taken to enforce the present law, it was stated.

five cents is levied for the school fund for the City of Vernon. Ninety cents takes care of interest and sinking funds on bonds for buildings and permanent improvements. Of the 90 cents levied to take care of bond issues, half goes to pay interest and sinking funds for school bond issues. This, with the 75 cents levied for school operating expenses, makes a total of \$1.20 for school purposes, or more than half of all tax money collected by the City. For streets and bridges 15 cents is levied. This takes care of maintenance work on streets.

Not allowing for delinquencies, which average less than 5 per cent, in normal years, the City revenues for this year will be divided as follows:

General fund\$28,939.06
Schools 61,913.70
Bonds 74,296.44
Street and Bridge 12,352.74

Total\$177,485.94
The following table shows total taxable valuations in the City of Vernon from 1918 to 1929, inclusive:

1918\$3,368,568
1919 3,807,560
1920 4,901,164
1921 5,564,960

INQUIRY INTO FEES OPENS IN WICHITA COUNTY

Wichita Falls, Aug. 31.—(P)—Re-nuneration for the Wichita Falls County Tax Collector has averaged about \$7,300 during the last six years and has ranged from about \$6,000 to \$8,500 during that period, according to testimony given by Guy C. Bailey, collector, before a legislative committee investigating the fee system in Wichita County here today.

Bailey was the second of the officials, and the first elective one, called before the committee. Paul Barnett, County Auditor, was the first called. Senator Pink L. Parrish, chairman of the committee, said it was planned to question most of the county officials during the day.

More Clashes Are Reported Today in Palestine Area

(By The Associated Press)
Clashes between Jews and Arabs and between Arabs and British troops were reported from various sections of Jerusalem and northern Palestine as British forces by land and air today proceeded with their task of restoring order after more than a week of trouble between Arabs and Jews.

The principal danger point for the moment seemed to lie in the north. The British colonial office officially announced the situation both in Palestine and trans-Jordan continued quiet. But it was admitted "considerable forces of Arabs were reported to have crossed the Syrian frontier into Palestine on Friday morning."

Marion, N. C., Aug. 31.—(P)—Four national guard companies were on guard today because of rioting in the textile mill village, here yesterday.

An attack upon Sheriff Oscar Adkins and six deputies as they attempted to recover furniture belonging to a non-union mill worker resulted in Judge N. A. Townsend, representative of Governor Max Gardner, ordering out the troops.

Two companies, the Morgantown Asheville troops, have been billeted here for the past two weeks, but the Statesville and Lincolnton militia were rushed here, and companies at Lexington, Canton and Andrews were ordered to hold themselves in readiness.

Fire Destroys Gin
Corsicana, Texas, Aug. 31.—(P)—Fire of undetermined origin destroyed the seed house of the N. J. Middlebrooks gin at Richland, 15 miles south of here today. Loss was estimated at several thousand dollars.

Mrs. C. W. Igou and son, John Corwin, Mrs. Guy Pettit, Mrs. Bertha A. Ross, Sid Lowrance, and Roy Watts and family, attended the Indian Fair in Craterville Park, Okla. Friday.

New York, Aug. 31.—(P)—The cotton market opened steady at a decline of 2 points to an advance of 5 points. Some realizing was reported owing to relatively easy cables, but it was absorbed by continuation of the recent buying movement promoted by absence of rain in the southwest and fear of further crop deterioration in that quarter.

December sold up to 19.47, and March to 19.72, after the initial offerings had been absorbed, but there was further realizing and the market was a few points off from the best at the end of the half hour, although prices still showed net gains of 2 or 3 points.

New Orleans.
New Orleans, Aug. 31.—(P)—Cotton opened somewhat easier today at a decline of 1 to 3 points. Cables lower than due accounted for the initial weakness. The market rallied on overnight buying orders, but demand was supplied by recoveries of 3 to 5 points and the market turned easier.

October traded off to 19.03, December 19.30 and January 19.38, or 5 to 7 points under the highs and 3 to 5 points below yesterday's close. At the end of the first hour the market was quiet and at the lows.
